4 in 1 Stitch Gauge

Handy 8" vinyl ruler with stitch count gauges for most popular size fabrics. Stitch gauge marks for 10, 11, 12, 14, 16, 18, 20, 22, 25, 26, 28, 30, 32, 36, and 40 count fabrics. It is easy to gauge the stitch count by just matching the markings to the fabric—no counting required! Also gives suggested strands of floss to use on that count if stitching over one thread or two, as well as the suggested needle size. From Yarn Tree.

Thread Heaven

Perfect for impulse sales, Thread Heaven display box holding 48 cubes fits neatly on your counter. Stop tangling and fraying with this amazing synthetic thread conditioner. While beeswax creates a sticky coating, Thread Heaven makes a slick coating that works more like ball bearings. Works especially well on metallics, silks, and rayon threads to make them more pliable and easier to use. Thread Heaven is chemically inert and will not react with the fibers.
