## Clip-On Battery Lamp

This convenient, versatile clip-on battery lamp has been specially designed for needlework and other detailed crafts. The lamp can be plugged in or be used with quality batteries (not included) for up to four hours of uninterrupted work (batteries are not rechargeable in this lamp). It comes with a modern 'cold cathode' Daylight tube to light up your work and a removable magnifier (2.25X magnification) to see all details clearly.
